Ms.

There have been previous issues with people speaking untruths about Integrity. Obviously the City of Delray Beach would not allow a water bill to be delinquent \$20,000, that would be about 2.5 years of not paying the bill. Please disclose to me the whom, what, when, and where of these allegations. As we have recently initiated legal action for slander and libel against a Lago Del Rey resident this is an important issue. If you prefer we can have a subpoena served upon you from the court for a deposition on theses absurd allegations.

I WAS MISTAKEN ABOUT THE MONEY BUT IT WAS STILL HIGH.

Furthermore; I have been asked to inform you to cease and desist discussing confidential information you may have heard at a recent Board Meeting with non unit owners. Information about Lago is for unit owners only, not the general public.

I AM STILL CLUELESS IN WHAT HE WAS TRYING TO SAY. WHAT CONFIDENTIAL INFORMATION? WAS NOT GIVING OUT ANY INFORMATION. ONLY TRYING TO FIND OUT ABOUT WHITTLE AND INTEGRITY. AND I DID, AND THEY WERE RIGHT.

Thank you,

Mike Whittle
