There are no wrongs to be corrected. You are greatly mistaken.

I have asked you to cease and desist and remove the false information you have posted, as of today this has not happened. I am hoping you will as the consequences that you will face personally will not be pleasant.

Mr. Whittle,

If I do not hear from you by the end of this week, I will assume you have decided not to right the wrongs that you have caused. Maybe you should talk to the owners of your company. I believe she is your mother.

Mr. Whittle,

I have not stalked or harrassed you. Actually, it is the other way around with you calling my work several times. All I did was forward the email chain you and I had. There was nothing fabricated and by law, I am entitled to give my opinion of you.

Why don't you just right the wrong that you did? First, apologize to me for your insults and threats and apologize to the homeowners for your lack of customer service; then tell them that I was only doing my fiduciary duty and you are sorry for instigating my removal from the board when you said you are going to sue the board. And own up to your responsibility regarding the Comcast bill in more ways than one. Please in the future be professional to all of your customers.

Sincerely,
Margit

Ms ,

I have tried contacting you by phone. The continued stalking and harassment by you needs to stop.

The fabricated stories you have spread are of great concern and causing me tremendous professional and personal damage and anguish.

MY COMPANY WAS PUT ON HIGH ALERT AFTER A GUY FROM INTEGRITY TRIED TO REACH ME SEVERAL TIMES VIA THE RECEPTIONIST. I DIDN'T ANSWER ANY SINCE I HAVE CALLER ID. WANTED TO GIVE HIM A TASTE OF HIS OWN MEDICINE. ON HIS LAST CALL, HE ASKED FOR THE COMPANY'S ADDRESS.... I MEAN HOW HARD IS IT TO LOOK IT UP ON THE INTERNET? SO THE RECEPTIONIST TOLD SECURITY AND THEY WERE ON ALERT FOR A GUY WHO LOOKED LIKE WHITTLE.
